**Record Request No.: DTE-RR-24**

Please provide the peak-season bill impacts based upon the new CGA that will be calculated for the September 16 filing.

**Response:**

As discussed during the hearing (tr. 817-818), this information cannot be calculated until after the CGA rates are finalized. Hence, FG&E will provide the peak-season bill impacts on September 16, the same day that the CGA rates will be filed.
